SUBJECT: LEAHY VETTING REQUEST: ANP MAJORS PART FOUR OF FOUR

REF: 01/09/07 Ingram/Richards email

[1](#)1. This is an action request.

[1](#)2. In order to comply with Leahy vetting requirements, this cable forwards the names and biodata of 55 Afghan National Police officers with the rank of Major. This is the fourth cable in a series of four. Per ref, post requests Department to begin vetting these individuals even though the United Nations Mission to Afghanistan (UNAMA) has not completed its vetting. When there are individuals with one name: Post has made a good faith effort to ensure that the individuals with one name actually only have one name. For individuals for whom date and/or place of birth is not available, Post will work with MOI and CSTC-A to retrieve this information.

[1](#)3. Post will inform Department of any derogatory information found by Embassy or UNAMA during in-country vetting. Derogatory information regarding these individuals will be entered into ACES. Post requests expeditious processing of these names since the individuals will be posted to priority positions mostly in the south and east. It is expected that the Majors' selection list will be signed by President Karzai the week of January 15. The MOI intends to put them in their new positions as soon as possible after the list has been signed, potentially immediately (see septel).
